

Atascadero Land Preservation Society (ALPS)

Scholarship Application

Due March 18

ALPS is a local, private, non-profit, 501 (c)(3), conservation organization founded in 1989. Our mission is to preserve environmentally significant open space, undeveloped natural land, and native trees in Atascadero.

ALPS is providing a \$500 scholarship for a graduating senior who is pursuing higher education with a focus in environmental science or conservation related field such as forestry or natural resources. The recipient will be invited to the June board meeting to make a statement about her/his interests and goals, and receive their monetary award.

Requirements

- Have a GPA of 2.5 or greater
- Have applied and have been accepted to a university, college, junior college, vocational, technical, or trade school
- Have participated in an environmentally-focused volunteer event
- Submit a one page letter stating interests and goals (see below)

In the letter, please include your cumulative GPA, school and extracurricular activities, what college you are going to attend, what major you are declaring, what occupation you plan to enter, what has helped you make that decision, and what you hope to achieve.

Please submit letter to: info@supportALPS.org with the subject "Scholarship Application."
